

Author Contributions Form

VCOT follows the Guidelines of the International Committee of Medical Journal Editors (ICMJE). All authors that claim authorship must meet the following requirements:

1. Substantial contributions to the conception, study design, or acquisition of data, as well as analysis and interpretation of data.
2. Drafting of the article or revising it critically for important intellectual content.
3. Final approval of the version to be published.
4. Agreement to be accountable for all relevant content of the work.

Those who do not meet the above 4 criteria should be named in the Acknowledgements and their contribution should be specified.

Please fill out the table below with the name of each author, in correct order, and indicate their contributions with a checkmark.
